Print, Digital and Email Advertising

Reach informed cruisers wherever they are. *Ocean Navigator's* audience continues to grow as more recreational mariners turn to print and digital magazines, the website, and email newsletters to advance their cruising and sailing skills. The magazine's curated content helps them stay abreast of the newest technology, systems, and gear, while honing their navigational expertise.

***Ocean Navigator* can help you reach your customers quickly and efficiently.** Print issues are circulated throughout the U.S. and Canada, which maximizes exposure to buyers. The digital editions provide direct links to ads for readers to easily take action.

Email Newsletter and Website Advertising. *Ocean Navigator* offers digital and online products to help your company maximize its exposure.

Editorial Calendar*

JANUARY/FEBRUARY 2024 –

VOYAGE PLANNING: A big part of effective voyaging is not just putting together a great boat with reliable gear but knowing when to go and how to gather the info you'll need to make that decision. We'll delve into the vital art of planning the elements of a voyage, from weather windows to provisioning to ensuring you have a good selection of tools and spare parts before you depart. **Advertising Deadline:** 11/17/2023

MARCH/APRIL 2024 –

ELECTRICAL SYSTEMS: From batteries to battery system monitors to alternators to gensets to battery chargers to electrical panels to wiring to solar panels and wind turbines, modern voyaging electrical systems can get complex fast. Managing what amounts to a small electrical utility requires a broad range of knowledge. We'll look at how some of these system elements work and how to integrate them.

Advertising Deadline: 01/19/2024

OCEAN VOYAGER 2024: Ocean Navigator's handbook on passagemaking, Ocean Voyager is packed with offshore cruising information. This annual issue covers communications, electronics, weather, electrical systems, safety, voyaging skills and more.

Advertising Deadline: 02/16/2024

MAY/JUNE 2024 – ANCHOR WINDLASSES & GROUND TACKLE:

Both power and sail voyaging boats need strong and reliable anchor windlasses and the ground tackle to go with them. We'll look at the various windlass options available and provide insight into chain and rode issues that will assist voyagers in maintaining or upgrading their anchoring setup.

Advertising Deadline: 03/15/2024

JULY/AUGUST 2024 – WEATHER: A major pre-occupation for voyagers is weather — getting solid info and using it to understand their local situation and for planning before and during voyages. We'll look at what new tools and services are available for voyagers to better manage this all-important voyaging task.

Advertising Deadline: 05/17/2024

SEPTEMBER/OCTOBER 2024 –

NETWORKING: Modern voyaging boats have more data than ever to move around and to display. From sail and power vessel performance data to navigation info to incoming and outgoing communications to monitoring tank levels, the data load has become ever larger. We'll investigate the latest wired and wireless approaches to these onboard networking challenges.

Advertising Deadline: 07/19/2024

NOVEMBER/DECEMBER 2024 – SAFETY:

Reliable safety gear is essential when going offshore. And now, in addition to the classic examples of tried-and-true safety equipment like life rafts and PFDs, there is a growing mix of electronic safety products, both hardware and software, for keeping crews safe. We'll report on these developments and describe how they can be incorporated into your safety procedures.

Advertising Deadline: 09/20/2024

JANUARY/FEBRUARY 2025 –

DIESEL ENGINES: Whether it be the main engine in the case of a power voyaging vessel, the auxiliary engine on a sailboat or the motor that drives a genset, diesel-driven power is an omnipresent element of voyaging. We'll examine the latest advances in diesel technology and provide information on how to keep your diesel engines operating reliably.

Advertising Deadline: 11/15/2024

*Advertising deadline dates are subject to change.

TERMS AND CONDITIONS

- Advertisers and advertising agencies agree to indemnify and protect the publisher from any claims or expenses resulting from the advertiser's unauthorized use of any name, photograph, sketch or words protected by copyright or registered trademark.
- All copy, text and illustrations are subject to the publisher's approval before execution of the order. Publisher reserves the right to reject any advertising which is in publisher's opinion unethical, extravagant, challenging, in bad taste, detrimental to public health or interest, or otherwise inappropriate or incompatible with the character of the publication, whether or not the same ad has been previously accepted or published.
- Agency discount: 15% commission to accredited advertising agencies.
- Advertiser and agency assume joint liability for payment of all debt incurred by agency on behalf of an advertiser. Space billed to an agency and unpaid 60 days after billing may be billed directly to the advertiser. An order may be canceled by the publisher if advertiser or agent fails to pay account when due. The difference between rates billed and rates earned becomes due and payable immediately. The publisher assumes no liability for advertisements omitted for any reason.
- Credit terms are net 30 days; 1.5% monthly interest charged on unpaid balance over 30 days. First-time advertisers must either prepay first insertion or submit credit applications. Any account sent to an outside collection or legal agency will be responsible for the fees charged in collecting the money owed.
- Contracts and space reservations may not be canceled after the advertising deadline; full price will be charged for any cancellations after advertising deadline. Cover positions require 60 days written notice of intention to cancel contract. Cancellation of any contract is subject to short-rate at the earned frequency rate. Verbal commitments to advertise are binding.
- Maritime Publishing makes no representations or warranties concerning response rates to, or effectiveness of, advertising in its publications, or concerning the size, scope or demographic composition of the circulation of its publications. Previously provided circulation data and estimates are not a guarantee of, or representation about, future circulation performance.

DIGITAL REQUIREMENTS

Digital ads are required when supplying advertising material. All ads should be built at 100% of the reproduction size and should be no less than 266 dpi for scanned images and 600 dpi for line art.

IMAGE/RESOLUTION REQUIREMENTS

All color images must be converted to CMYK. Scanned images should be 266-300 dpi at actual size of reproduction. Photos downloaded from web pages that have been saved at a low resolution (72-100 dpi) will not print clearly.

GRAPHIC FORMATS ACCEPTED:

High resolution PDF, JPG

SOFTWARE PROGRAMS NOT ACCEPTED

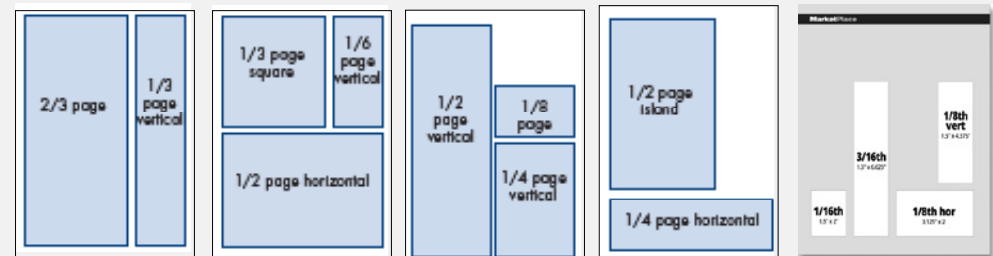

We cannot accept digital ads created in Microsoft Publisher, Microsoft PowerPoint or Microsoft Word.

E-MAILING FILES

Files of 10MB and smaller can be e-mailed to:

Special Annual Issue

Ocean Voyager is an annual issue coveted by offshore cruisers for its essential information about voyage preparation, skills and equipment for safe and enjoyable cruises. Readers keep and refer to their copy for years—it's their cruising primer, full of ideas, tips and authoritative information.

Access: *Ocean Voyager* gives advertisers unmatched access to owners of ocean-capable sail and trawler yachts.

Events: In addition to reaching all *Ocean Navigator* subscribers, *Ocean Voyager* is included in the "Skipper's Package" at major events.

Boat Shows: *Ocean Voyager* is distributed at many North American events: Yacht Manufacturer Sponsored Rendezvous, Boat Shows, Offshore Races, Regattas and all Trawler Fests.

Ocean Voyager is an ideal way to make your campaign in *Ocean Navigator* work harder with repeat exposure to your best prospects and customers—be sure to include this high-impact reader favorite in your marketing schedule.

Editorial

Tim Queeney is the longtime editor of *Ocean Navigator* magazine and writes the Marine Tech Notes column in every issue. An experienced offshore sailor, he is also a navigation instructor, having taught celestial navigation, radar navigation and coastal piloting both ashore and at sea aboard tall ships like *Westward*, *Spirit of Massachusetts*, *Californian*, *Virginia* and *Oliver Hazard Perry*.
