### **Camden Classics Cup**

**July 29 & 30, 2016**

**CRF, PHRF, One-Design, Cruising**

# General Information and Eligibility Rules

The Camden Classics Cup will be governed by the current *Racing Rules of Sailing* (RRS 2013-2016), *US Sailing Prescriptions*, and class rules governing one design yachts, except as amended by the Sailing Instructions.

The sailboat races are open to all yachts that have a valid; 2016 Classic Rating Formula (CRF), 2016 PHRF-NE certificate, or that conforms to one-design class rules. To obtain a CRF certificate go to <http://classicratingformula.com/renew-certificate>. To obtain a PHRF-NE certificate go to [www.gmora.org](http://www.gmora.org). If you do not wish to obtain a valid CRF or PHRF-NE rating certificate the Race Committee will assign your boat a PHRF rating for this regatta.

The sailing fleet will be divided as follows: CRF & PHRF Racing Divisions, CRF & PHRF Cruising Division, and One Design Divisions. The Race Committee will determine class breaks within fleet once all boats are registered. It is the RC's intent the class breaks within the fleet will provide close and exciting racing. If you wonder which Division your boat will sail in please contact us and we will figure out the best fit for your boat.

There will be CRF, PHRF and One-Design racing on Friday July 29 and Saturday July 30, 2016.

All sailing yachts must meet Category 5 (Appendix J) of the ISAF OFFSHORE SPECIAL REGULATIONS. A link to US Sailing describing Category 5 requirements is here. [http://www.ussailing.org/wp-content/uploads/daroot/Offshore/SAS/USOSR2010\\_AppJ\\_0812051.pdf](http://www.ussailing.org/wp-content/uploads/daroot/Offshore/SAS/USOSR2010_AppJ_0812051.pdf)

It will be the owner's responsibility to see that his/her yacht is sound, seaworthy, and safely equipped. RRS Part 1 Fundamental Rule 4 states, "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."
